

INTERIOR RENDERING

This includes one interior room drawing in color with design layout and new furnishings (12" X 18" on watercolor paper)

PRICE: Between \$1,100 – 1,400 for one rendering (*averages 11 – 14 hours*)

PROCESS:

1. Fill out one project form per room. Please include the following:
 - Floor plan and elevations with dimensions (CAD or hand drawn)
 - Any new cabinet layout, new windows and doors
 - A material list or thematic direction. Should include photos of furniture and cabinetry, window treatments, new lighting and surface choices, color palette, texture samples and fabric swatches.
 - Before photos of the room.
 - Vendors and website links to furnishings would be helpful.
 - Any more inspiration photos of desired outcome examples would help as well. The more information you provide, the better
2. You will then receive a quote with an invoice and letter or agreement to be signed and emailed back. Interior rooms will range between \$1100 - \$1400 per room for a 12" x 18" hand rendering on watercolor paper, done with watercolor, Prismacolor markers, colored pencil and ink. Full payment is expected up front before work can begin.
3. Initial perspective sketches in pencil will be emailed and altered until the client is happy with the overall look.
4. Once both parties are satisfied with the final layout, then the colored paint, pencil and ink will be added. Any alterations that are made after this point may result in extra fees. Please expect that the project will take anywhere from 1 – 2 weeks.
5. A hard copy of the rendering will be mailed to you in a shipping tube with a shipping cost, if a print is requested. Otherwise, you can expect to receive a photograph of the rendering over email in a high, resolution digital format.
